Northern Air Cargo awards William Dix Fowler Memorial Scholarship for The Atheneum School

Northern Air Cargo announces the recipient of second annual William Dix Fowler Memorial Scholarship for The Atheneum School of Anchorage, AK. Mr. Fowler was the President of Northern Air Cargo from 2001 until March of 2008; he was also actively involved in supporting The Atheneum School.

The scholarship consists of annual awards of \$1,000 each to worthy recipients, chosen by the school. This year's recipient is Clyde Hoffman, a junior, for his leadership and his dedication to his learning and to the learning of others. "Bill met Clyde which makes his selection particularly meaningful." said Lydia Ossorgin, Director of the Atheneum School.

"I've met Clyde, and I don't think they could have made a better choice for this award. We are grateful to be able to do something like this in Bill's name" said Margot Wiegele, NAC's Director of Marketing & Communications.

Founded in 1994, Atheneum is an independent co-educational college preparatory school in Anchorage Alaska. Northern Air Cargo is Alaska's largest all-cargo airline with stations in Anchorage, Bethel, Fairbanks, and Deadhorse.
